Welcome to Redclyffe House

Established in 2013, Redclyffe House is a dedicated sanctuary for a unique demographic: older adults with learning disabilities. With a deep commitment to providing specialised care, Redclyffe House offers a haven where residents can live in a compassionate and nurturing environment.

Redclyffe House is deeply integrated into the local community, fostering connections and partnerships that enrich the lives of our residents.

Accommodation

Redclyffe House enjoys a serene setting that promotes relaxation and well-being. It features 12 bedrooms that are fully furnished and are en-suites. We encourage the residents to personalise their living spaces to align with their preferences and to create a homely feeling.

Facilities

Our spacious communal lounge overlooks the garden providing an inviting space for engagement and activities. Furthermore, our facility includes a sensory and crafts room, providing residents with additional opportunities for relaxation and creative expression.

Activities

At Redclyffe, the Support Workers curate engaging programs, from weekly outings to special events, fostering a vibrant community spirit. From games and crafts to exercise sessions and parties, there's always something happening to bring joy and excitement to our residents. We welcome families and friends to relax and enjoy time spent with our residents at any time during the day.

A COMMITMENT TO CARE

At Redclyffe House, we specialise in meeting the unique needs of older adults living with learning disabilities and autism, including those who have also been diagnosed with dementia.

Central to our philosophy at Redclyffe House is a person-centred approach to care. We recognise that each person is unique, with their preferences, interests, and abilities. As such, we actively involve residents and their families in the development of care plans, ensuring that their needs and desires are at the forefront of our service delivery.

Our dedicated team of caregivers are trained to provide personalised support ensuring that each service user receives the attention and care they deserve. We are committed to promoting independence and enhancing quality of life for all our residents.

Learning Disabilities

Recognising the importance of tailored support, our team provides person-centred care empowering individuals living with learning disabilities to lead fulfilling lives.

Residential Care

In our residential care services, we provide a supportive and homely environment where residents can feel valued and respected, with a focus on promoting independence and enhancing quality of life.

Dementia Care

Our dedicated team provides support for individuals living with dementia, creating safe and nurturing environments where residents can thrive with dignity and independence.

Respite Care

Whether caregivers need a brief respite or residents require additional support during transitional periods, our dedicated team is here to provide attentive assistance and a nurturing environment.

Led by our dedicated manager, Shelley Harlin, Redclyffe House is supported by a compassionate team dedicated to the care and comfort of our service users.

We ensure an ongoing programme of training and development to enable our staff to continuously evolve and further their knowledge to provide a high standard of care.

Our housekeeping and maintenance team ensure the home is well presented, safe and comfortable.

Our support workers spend considerable one-on-one time with the service users, fostering a special bond that enhances the experience of living at Redclyffe House.
