Welcome to Numada Homecare

A Commitment to Care

Numada Homecare is dedicated to delivering flexible and personalised care to those people living in their own homes.

We tailor the care provided to people's needs and abilities, aiming to support people to remain at home and continue to be as independent as possible.

We believe every resident deserves independence, choice, privacy, and dignity. We respect each person's right to take reasonable risks. Our relationships are built on trust, and we make every effort to help residents connect with their caregiver by ensuring continuity of carers.

Numada Homecare is committed to empowering individuals to remain in the comfort of their homes with dignity and safety.

We achieve this by delivering services of the highest quality, focusing on enhancing and sustaining our service users' overall quality of life.

Community Engagement

We cherish connections and supportive communities. Our focus as care providers is on creating social interaction and companionship, promoting a sense of belonging and well-being.

Home Care & Domestic Assistance

We offer Home Care and Domestic Assistance to support independence and comfort at home. Our caregivers provide reliable, compassionate assistance, tailored to each client's specific needs.

Dementia Support & Alzheimer's Care

Our caring team specialises in personalised support for those with dementia and Alzheimer's. We ensure comfort, safety, and dignity at every stage, tailoring our services to meet each individual's unique needs.

Support for Learning Disabilities

We understand the importance of specialised support for individuals with learning disabilities. Our team focuses on promoting independence, empowerment, and quality of life for each person.

Lifelong Condition Management

We support individuals with lifelong health conditions. Our experienced team helps clients navigate their health journey with personalised care plans and ongoing monitoring, providing confidence and peace of mind.

Short Term Respite Services

At Numada Homecare, we offer short-term respite services for caregivers to recharge. Our compassionate team provides temporary support, ensuring continuity of care and confidence for families.

Medication Support

Our Medication Support ensures safe and effective management, offering peace of mind for clients and families. With attention to detail and adherence to prescribed regimens, we promote health and well-being.

Grocery Shopping & Meal Planning

We understand the importance of nutritious meals for overall well-being. Our service can help you plan your meals, prepare shopping lists, support you to shop and support you to prepare and cook meals.

Helping You Live Well at Home

Our compassionate team provides personalised care that supports independence, dignity and peace of mind for you and your loved ones.
