A Commitment to Care

The Grange Nursing Home, located in Sherborne St John near Basingstoke, Hampshire, provides personalised nursing and residential care in a peaceful countryside setting. With 26 single rooms, our home offers comfortable accommodation in a warm and welcoming environment, supporting residents to maintain their independence, dignity and quality of life.

At The Grange, your needs, choices and independence remain at the heart of the care we provide.

Our nursing team is available around the clock, providing personalised support for people with a variety of health and care needs.

Each care plan is shaped around the individual, taking into account their health needs, daily routines, preferences and the things that matter most to them. Residents and their families are encouraged to be involved in care planning, helping us provide support that adapts as needs change.

Nursing

With round-the-clock access to registered nurses, our nursing care ensures that individuals with complex medical needs receive the highest level of clinical support and attention.

Respite Care

Whether caregivers need a brief respite or residents require additional support during transitional periods, our dedicated team is here to provide attentive assistance and a nurturing environment.

Residential Care

In our residential care services, we provide a supportive and homely environment where residents can feel valued and respected, with a focus on promoting independence and enhancing quality of life.

Palliative & End of Life Care

During challenging times, our palliative and end of life care services offer comfort, dignity, and support for individuals and their families, ensuring a peaceful and dignified final journey.

Dementia Care

Our dedicated team provides support for individuals living with dementia, creating safe and nurturing environments where residents can thrive with dignity and independence.

The Grange Nursing Home has built a strong reputation for trusted care, shaped by over 35 years of experience and a commitment to the people who call it home.

Under the management of Janet Campbell, a Registered Nurse, The Grange Nursing Home has continued its high standards of care and commitment to enhancing the quality of life for its residents.

Our nurses, carers and wider support team work together to make The Grange a comfortable and reassuring place to call home.

Ongoing training helps our team continue to develop their knowledge and respond confidently to the changing needs of our residents. Alongside our care staff, our activities, catering, housekeeping and maintenance teams all play an important part in everyday life at The Grange.

Above all, we want residents to feel known as individuals — with their choices respected, their independence encouraged and the right support available whenever they need it.

Accommodation

The Grange can accommodate up to 26 residents, across 26 single rooms furnished to provide a comfortable and personal space. We encourage residents to make their room feel like their own by bringing photographs, favourite furnishings and other familiar belongings. Couples can also be accommodated where suitable. Each room includes essential furnishings, a television and a call bell so that support is always close at hand.

Facilities

Life at The Grange combines the comfort of a smaller home with the space and tranquillity of its countryside setting. Residents can relax together in our communal areas, enjoy freshly prepared meals or find a quieter space to spend some time during the day. Our gardens and views across the surrounding countryside provide a particularly peaceful setting, especially during the warmer months. The Grangers, our residents' bar and social space, offers another relaxed place to sit together, enjoy a conversation or simply unwind at the end of the day.

Activities

We believe everyone should have the opportunity to spend their day in a way that feels meaningful to them. Our activities programme includes arts and crafts, baking, games, gardening and other activities shaped around residents' interests and abilities. During warmer weather, residents can enjoy the gardens and even take part in planting and tending the vegetable patch. The Grange also has strong links with the local community, with visits from local groups, choirs and schools bringing something different into the home throughout the year.

Pop in for a chat and a cup of tea
